

Garment Printing

GARMENT ADORNMENT We have been established in the specialised business of garment printing for over 12 years.

EMBROIDERY: Your logo or image taken to the embroidery stage. We are expert at advising you of the way forward (Minimum quantities apply)

PRINTING: Application of a range of vinyls made for clothing. Suitable for any aspect of work, sport, or leisure with no minimum quantity. For larger quantities we offer screen printing as an alternative.

COLOUR LASER TRANSFERS: For full colour and photographic reproduction with no minimum quantity.

We have years of experience and will advise you of the most appropriate method to suit your needs and your budget. We only supply the top brands such as Fruits of the Loom, Jerzees, Hanes, Slazenger, Kustom Kit etc. All garments are manufactured to the highest standards especially for the print and embroidery industry.

We are happy to quote for printing or embroidering your own garments but will need to see samples and certain conditions will apply.

Please ask for details.

All methods produce impressive results with impact and high durability. We will shortly be offering our online visitors the ability to order garment printing online. You'll be able to select the style and colour of the garment, the style colour and size of the text or graphic, pay online and we'll do the rest. Watch this space !!
